*We hope you will embrace this capacity-building effort and help us celebrate the “relaunching” of Positive Approaches Journal by sharing far and wide!*

It is with great enthusiasm that the Office of Developmental Programs (ODP) and the Office of Mental Health and Substance Abuse Services (OMHSAS) announces the re-issuing of the Positive Approaches Journal, written by and for professionals who provide supports and services to individuals with mental health and behavioral challenges, intellectual disabilities, autism and other developmental disabilities.

Through case studies, articles, interviews, and related academic sources, Positive Approaches Journal strives to feature resources, observations, and advancements that are relevant and timely to professionals and supporters.
