DISCUSSION:

The PA Community of Practice leadership is pleased to announce that a webinar series will be available to review the 2019-2020 Action Plan as a result of the Leadership Summit held in June of 2019. This series will also review the purpose of the new Regional Collaborative Reporting Tool in a two-part series. The Reporting Tool is attached. Information gained from the Reporting Tool will be used to create a Regional Collaborative page on MyODP.org and better provide a way of communicating. The Reporting Tool will also track the activities of each collaborative. Information gained from the tool will be shared with Quality Assessment & Improvement (QA&I) for the Office of Developmental Programs.
