Announcing a new issue of Positive Approaches Journal now available!

The Office of Developmental Programs (ODP) and the Office of Mental Health and Substance Abuse Services (OMHSAS) are excited to share another issue of the Positive Approaches Journal! This issue focuses on Rights, Risks, and Restrictions. www.myodp.org/mod/page/view.php?id=24526

In an effort to learn more about how rights, risks, and restrictions are perceived in the community, the editorial board of Positive Approaches asks for your participation in a survey exploring the words or phrases you feel correspond with rights, risks, and restrictions as these relate to work, experiences, and priorities.
