

Vaccine Information for Individuals Without Internet Access

Reissue of the February 1, 2021 communication by the same name due. Original communication contained blank attachments.

Pennsylvania Departments of Health and Human Services would like to share resources surrounding COVID-19 vaccine information for individuals that have limited or no internet access. The following services are available to learn more about the COVID-19 vaccine, including locating a healthcare provider, by phone:

- If an individual does not have a direct support professional (DSP) that can provide them with the appropriate COVID-19 vaccine and healthcare provider information, they can call the **PA Health Hotline at 1-877-724-3258**
- Persevere PA is a COVID-19 crisis hotline designed to link callers with counselors to assist with the mental health impacts of COVID-19. They can also assist a caller in finding a healthcare provider to administer the vaccine when their corresponding phase arrives. Resources in both English and Spanish are attached with more information. **Call Persevere PA at 1-855-284-2494**
- When arranging for an individual who is deaf or hard of hearing to receive information via telephone, PA Relay Services are available by **dialing 711**.

Please share this information with those who may require information by telephone.
