If a congregate care setting is recommended, has the following occurred:

- All possible supports have been provided to the child/youth and family to maintain the child/youth in their family home.
- The child/youth has been offered all medically necessary services they are eligible for pursuant to EPSDT.
- Less restrictive settings have been tried and no family-based setting is able to meet the child/youth's needs, including the use of Home and Community Based Medicaid Waivers to facilitate community-based settings.
- The specific needs of the child/youth that require a congregate care setting have been identified and how specifically the proposed setting will meet those needs.
- The child/youth has had the opportunity to give input into the placement decision about his or her preferences, as age appropriate.
- The child/youth's family members have provided input on the type of placement that best suits the child/youth.
- Family visitation and contact, education, and participation in activities during the placement are included in the child/youth's plan.
- A plan for discharge and family reunification is being completed (beginning at intake and reevaluated regularly).

If any of the above boxes are checked, provide explanation:

ADDITIONAL INFORMATION (PLEASE ATTACH):

- If funding assistance is being requested, provide a list of current funding source(s), funding sources that have been explored, and the specific barrier(s) to obtaining funding from existing funding sources/systems.
- If assistance is being requested to locate appropriate community-based services that would allow a family or community-based placement (non-group setting), include a list of the services or supports that would make a community or family-based placement possible.
- If assistance is being requested with locating appropriate community or congregate care services, the county should include a list of services/placements already explored and outcomes related to those service/placement referrals, including any denial reasons received for each referral.
- Provide all child/youth and family assessments, screenings, and evaluations, including relevant historical information and traumas, Individualized Family Service Plan (IFSP), the Individualized Education Program (IEP), etc.
